I can't recommend it more, very clean space and friendly staff. Valeria's done an amazing job, my tattoo is perfect. I'm definitely coming back there for my next tattoo.

Valeria was amazing and drew the design exactly how I wanted it and executed it perfectly. Amazing fine line work on my small tattoo and replicated perfectly on my boyfriends much larger tattoo. This is my second tattoo with Ink'd London and I wouldn't go anywhere else 10/10!!
